

A happy wedding party boarded train No. 106 Thursday. The participants were Nels Anderson and Miss Alice Wilton. Their destination was Minneapolis where they will be married immediately upon their arrival. Both young people are well known in this vicinity having been employed during the summer on the farm of Nels Johnson north of town and have many friends who wish them good luck on the long journey in matrimony which they were about to undertake. The happy couple had not fully decided on their future location but may live in Minneapolis or possibly go on to New York City. Mr. Anderson is a cousin of Axel and Theo. Anderson who live west of town. Miss Wilton came from Minot last spring where she has a brother.
