

HIGH SCHOOL NOTES

(By Mary Kingston)

The lower grades are preparing for a Christmas program.

Some of the H. S. students went to Wimbledon Saturday evening to attend the basket ball game between Wimbledon and Valley City. They report that the Wimbledon team won the game.

A new club called the S. B. F. has been organized by the Senior students. It is causing a bit of curiosity among the other students.

Professor of Physics: "Please pronounce the tenth part of the word cat."

Student: "Tail."

The "top knots" are getting to be a fad in the high school.

The teachers' institute will be held in the school house Saturday in the 8th grade room.

Frank Klebowski is enrolled in the German class in the high school.

The Vergil class has completed the second book of the "Aenerd."

The Girls' Glee club will sing several songs at the teachers' institute.

An electric machine has been added to the physics laboratory.
