

## SCHOOL NOTES

The basket ball team left this morning for New Rockford and Oberon where they expect to put up a good exhibition of the national game. The boys will undoubtedly return victorious as upon numerous former occasions. Here's to the Courtenay basket ball team!

The Literary society will hold its first meeting at the school on Friday evening at 8 o'clock. A short program has been arranged but the meeting for the most part will be of a business nature. The society will appreciate the presence of anyone interested in this line of school work. There is no admission fee.

Prof. Ross was absent from school Monday on account of illness but on Tuesday was again able to be on duty at school.

The students of the Freshman class presented some very interesting descriptions of themselves Wednesday morning. From their compositions we really are inclined to think that they are not so self-centered as it pleases most people to believe. They are indeed very modest people for "Fresh" men.

Mrs. H. N. Tucker, Mrs. G. A. Tucker and Mrs. Saxerud were Primary visitors during the past week.

Oberon basket ball team will play Courtenay at Courtenay, Feb. 12.

One of the students has made quite a record for himself during the past month in the way of punctuality. He arrives at the early hour of 10:30 and once in a while even earlier and works faithfully until he gets hungry. He excels in most of his studies, especially English II.

Pupils grades of the January examinations will not be published until the report is received from the state examiner.

New H. S. song. Keep your ears open.

Prof. Ross will give a talk on "The Benefits Derived From a Literary" at the school, Friday evening.
