

Monday noon, F. G. Ellis and Emil Nelson left for Chester, Montana where each have a claim on which they figure on building and getting ready for permanent residence. They took along all of their household goods, horses and feed. Mrs. Nelson is at present at the home of her parents in Iowa and Mrs. Ellis and children are staying at the Strandness home and they will join their husbands as soon as they can secure suitable dwelling houses for their occupancy. We are extremely sorry to lose two so estimable families from our town and we wish them an abundance of good luck and success at their new location.
