

## JIM LAKE AND VICINITY

Dr. Van de Erve, of Pingree, has decided to locate permanently at Dickinson. His removal from Pingree will be regretted greatly by the many friends he has made in the past few years while a resident there. That he will, without a doubt, succeed in his new field is the opinion of all his acquaintances.

Louis DeNault, of the Pingree State bank, is ill at Jamestown suffering from a second attack of appendicitis. His friends hope for his speedy recovery.

Mrs. Will Forrester and little son are spending some time at the Plow home.

Mr. Fenerich, father of Mrs. R. H. Koves, is reported to be very ill from an attack of pneumonia and is confined to his home in Kensal.

Some parties who neglected to leave their cards or address visited at the John Riden home the night before Thanksgiving and by mistake, no doubt, took with them in departing about twenty dollars worth of turkeys. It is to be hoped that they will learn of their mistake before the holidays and at least return the wings and tail feathers.

Now we have with us the wintry days which we all dread in this country.

---

The young people of our neighborhood and some of the elder ones gathered at the home of Ed Crubeck last Saturday evening and gave the family a royal surprise. They came laden with good things to eat and dancing and good cheer were prevalent until the wee sma hours of the morning when all repaired to their different homes feeling that they had enjoyed a most pleasant event of the season.

Aug. Guenther lost a valuable horse last week.

Miss Nettie Guenther is attending German school.

Mrs. R. H. Koves spent last week at Kensal helping care for her father.

Fred Forrester is reported very ill suffering from blood poisoning in his hand. We hope for his speedy recovery.

Master Grover Reibe is attending German school this winter.
