

## JIM LAKE AND VICINITY

Robert Chase was taken to the state hospital at Jamestown last Monday for treatment. The family have the sympathy of all neighbors and it is hoped that Mr. Chase may regain his reason by proper treatment. He has been a great sufferer since being thrown from a rig in a runaway, ten or twelve years ago, sustaining serious injuries to his back. He was confined to a hospital in St. Paul for over a year and in his suffering morphine was administered to him. Unfortunately he became addicted to the drug habit and gradually his mind became unbalanced from its constant use.

Mr. and Mrs. Wm. Bingham spent Sunday at the C. D. Wood home.

O. B. Christopherson made a business trip to Fargo last week.

Wm. Forster and sons, Fred and Will, and daughter, Mrs. Curtis, returned home from Stillwater, Minn., last Tuesday where they were called to attend the last sad rites of Mrs. John Rohde, who died at her home last week.

J. B. Clark took Tuesday evening's train for Minneapolis where he will combine business with pleasure.

Mrs. T. R. Clemo visited her mother at Valley City last Saturday.

V. H. Smith was a visitor at the Fred Burleson home last week.

Wild geese have been seen in flocks the past week. Gophers are also quite numerous for this season of the year. It is a sure sign of spring—at least we hope so.
