Ervin McKinnon, the little nine year old son of Mr. and Mrs. E. C. McKinnon, passed away at the farm home Sunday after a several days illness from diphtheria. It was a great shock to the people of Kensal when the sad news was learned, as it was scarcely known that the child was ill. Interment was made in the Kensal cemetery Monday afternoon. Mr. and Mrs. McKinnon have the deepest sympathy of the people of Kensal in their sudden bereavement. Little Florence McKinnon is suffering from the same sickness and we hope that she will soon recover.

Dr. McDonald, of Valley City, was called to the McKinnon home Tuesday evening in regard to the condition of little Florence.

The fire department was called out Sunday evening to the H. C. Brown home but before reaching the scene the fire had been extinguished. They were again called out Wednesday morning to the O. E. Holmes residence, the children having upset a can of kerosene near the kitchen range which ignited; the fire was extinguished with a small loss to Mr. Holmes.
