The boys' basketball team played the Courtenay seconds last Wednesday evening at Courtenay, resulting in a victory for their opponents, the score being 49 to 3; this must have been an exceedingly fast game. Boys, it looks as though a manager, and more diligent practice would be an essential thing for the team.

The Firemen's Ball held in the opera house last Wednesday evening proved to be a success both socially and financially, one of the largest crowds being in attendance that Kensal has ever known at any previous public gathering. Delightful music was furnished by the Valley City orchestra consisting of five pieces, dancing being indulged in until three o'clock. Much credit is due the decorating committee for the tasteful way in which the hall was decorated; also to the entertaining committee for the able way in which the out of town guests, who were many in number, were taken care of. The firemen proved to be excellent waiters as was evidenced by the way the large crowds were served at the supper hour to an elegant and appetizing spread.

Will Bartholomew, who lives near Pingree, met with a serious accident last Wednesday. As he was riding across the railroad track a Russell snow plow running at full speed struck him and his steed, killing the horse instantly and hurling both many feet through the air. The boy is terribly bruised but it is thought no bones are broken and it is hoped that he will recover. The neighborhood is shocked over the sad accident and all extent sympathy to the relatives of the unfortunate young man.

Nicholas Bauer of Kensal has gone to Wahpeton to enter a hospital there, hoping to be relieved of tuberculosis of the bone. The young man has suffered greatly from this disease and one of his lower limbs was amputated in an endeavor to cure him but this helped but little. It is to be hoped that he will find permanent relief by visiting this famous institution.
