

H. Theo. Nelson left last Wednesday for his old home at Taylor, Wis., to visit for a few days among scenes of his youth. He has not been under the parental roof for fourteen years and it will feel mighty good to eat once more the "bread that mother makes." Miss Gertrude Atchison the accomodating assistant P. M. and and Mr. Emil Nelson will look after the proper distribution of Uncle Sams wares in his absence and we may rest assured it will be done on the usual schedule time.
