

NOGOSEK TOWNSHIP NOTES

We have spring weather once more. Wheat seeding will be about finished this week by many though some wheat will be seeded during the month of May. The roads are getting smooth and automobiles are numerous.

Lars Nelson, who lives north of town has completed a large new porch on the front of his beautiful residence.

Frank Wilson is quite sick with another attack of asthma.

H. Nelson is painting his neat little barn which he erected last fall.

J. S. Carr, census enumerator for Durham township, Kensal village and Nogosek township is "censussing" the latter town this week.

Mr. Tripp and daughter from Iowa are here putting in the crop on the farm which Mr. Tripp owns north of town on which his son Walter is now living.

C. L. Edwards did paper hanging for F. B. Webber last week.

The little girl which Mrs. Chas. Voght is taking care of has been quite sick.

Frank Vaughn returned from Williston where he went with a car of horses. He will soon leave again for Montana.

Reports from the country state that several pieces of wheat are showing up green. It does not seem to be hurt much by the recent hard freeze only the very earliest sown may be thinned down some.

The Eversoll family who worked for Wm. Jones on the Langworthy farm had to give up the place on account of Mrs. Eversoll's health.

F. B. Webber has a sample of his white Russian seed oats at the Stutsman County Bank.
