

---

John Posey has disposed of his general store to John Seim, of Mc-Ville, the new proprietor having all ready assumed management. Mr. Posey has been with us for about a year and during that time has conducted an up-to-date business and built up an excellent trade. He returned to Courtenay last Saturday where he will look after extensive interests there. He will however be with us occasionally to look after interests he still retains here. Mr. Seim, the new proprietor, comes to us highly recommended and the business men and citizens in general extend to him the good hand of fellowship. — McHenry Tribune.
