

Hamilton Reid, our bonanza  
farmer and stockman, departed  
last night for Harpers Ferry,  
W. Va., to spend six or seven  
weeks with his brother, John  
H. Reid who formerly lived just  
south of town. It is not often  
that Mr. Reid takes a vacation  
but when he does, he says he  
takes one until the people get  
tired of him.
