

s meeting.

e Anton Saxerud went to Valley  
City Tuesday evening to visit his  
s little boy who had a very serious  
d operation performed on his head  
e but is now recovering, though  
r progressing very slowly. Mrs.  
Saxerud has been with him all  
n through his sickness at the hos-  
pital and says the little fellow's  
r sufferings were terrible to behold.
