Mr. and Mrs. W. F. Steinway and children arrived from McHenry Saturday and have been the guests of Mrs. Steinway's parents, Mr. and Mrs. John Posey. Mr. Steinway is manager of the mercantile store of Mr. Posey's at McHenry and reports business in fairly good condition in spite of the partial crop failure had in that section of the state the season just past. Roy Hopwood is also at work in their store and is said to be fast becoming a full-fledged merchant.
