A young man by the name of "Billy" Wilkie was taken to Jamestown yesterday where he will be examined before the insanity board. "Bill" is well known here having worked for several farmers for a number of years and has given good service but acted queerly the past few days and it was considered best to have his mental machinery investigated. One of his fancied hallucinations was that a small corps of the tribe of his satanic majesty pursued him constantly in the endeavor to shorten his earthly existence.
