

A daughter was born to Mr. and Mrs. Tom Suchla on Tuesday of last week. There is an incident connected with the birth of this child that approaches the romantic. Mrs. Suchla and her husband went out in the country in the morning to attend church and on their way home the baby was born by the side of the road on the grass, Mr. Suchla being the attending physician. She was brought home as gently as possible and is getting along well and before the baby was a week old did a good sized washing.
