

TWO MADE ONE

TWO HAPPY HEARTS BEAT AS ONE AS THE RESULT OF A MARRIAGE WHICH TOOK PLACE AT THE RESIDENCE OF MRS. JAMES WRIGHT OF HELENA ON MARCH 30.

On March 30th a pleasant event occurred at the residence of the bride's mother, Mrs. James Wright of Helena, when Miss Blanche Wright and Mr. George Gartman were joined in wedlock in the presence of a large assembly of relatives and friends, Rev. Oscar D. Purinton officiating. The bride was beautifully attired in a light heliotrope trimmed with white silk and wore an orange blossom wreath and a veil. The bride was attended by Miss Belle Vogan of Dazey and Miss Maggie Wright, a sister of the bride acted as flower girl, both young ladies being dressed in white. The groom, who never looked better, and we surmise never felt better, was attended by his brother and looked as though he was satisfied with the world in general.

At one o'clock the bridal couple were escorted to the parlor and Rev. Oscar D. Purinton pronounced the words which bound them together for life. Congratulations were then extended to Mr. and Mrs. Gartman, after which due attention was given to the dining room where the tables stood groaning under a feast fit for a king and of which the writer felt like saying with the epicure, "Fate cannot harm me, I have dined today." After satisfying the longings of the inner man the tables were removed and some time was spent in singing, but restless spirits could not endure long and the fiddles twanged and the dance was on, and kept on until the wee small hours of the morning warned the people that it was time to be going home, which they did with a feeling that it was good to have been there, and wishing Mr. and Mrs. Gartman good luck and happiness in their journey through life.

Mr. and Mrs. Gartman are two young people who are held in high esteem by all who know them and as they journey through life may their pathway be ever sunshine is the wish of their many friends. They received so many valuable and handsome presents that it would be impossible for us to enumerate them all in this article.
