

N. P. Sluga went to Wisconsin last winter and was married on January 23d to Miss Agnes Canth. Mrs. Sluga is a first class dressmaker and has opened a shop in Courtenay on the lower floor of Frank Lawrence's residence. She has been working in the first class shops in Wisconsin for the past ten years and is one of the most up to date dressmakers in the state. Nick will stick to his well digging and will erect a nice residence in John Syvertson's addition during the summer.
