

Abducted Her Child.

Sheriff Wasser has returned from Lakota where he took into custody August and Eliza Carlson, husband and wife, who are charged with abducting a child, Mable LaBrasche, said to be the adopted daughter of Mr. and Mrs. Henry LaBrasche of Spiritwood Lake. The child Mable is said to have been given a home by Mr. and Mrs. LaBrasche a year or so ago, through the agency of the Children's Home of Fargo, which is said to have cared for her and other children of Mrs. Carlson, formerly Mrs. Eliza Beemer.

It is said that the mother was at Spiritwood lake last Tuesday and shortly after Sheriff Wasser passed by there enroute to Courtenay Mrs. Carlson departed with the child for her home near Lakota. The authorities were immediately communicated with and Mr. Hall instructed him to secure the child by all means. Sheriff Wasser was armed with a warrant and brought Mr. and Mrs. Carlson and the girl here where they are now in his charge awaiting the action of the court and legal machinery.—Capital.
