

Mrs. C. W. McDaniel and two sons, A. C. and Walter, arrived from Black River Falls, Wisconsin, Tuesday evening and will reside here in the future. Not being able to secure a house to live in, the family will reside in a part of the mill until their own house is completed, which is now under construction. Mr. McDaniel sold his home in Black River Falls and had to give possession March 1st. The family is beginning life in pioneer style in this state, but they are a happy and good natured lot of people and seem to enjoy life under most any circumstances.
