

Dr. and Mrs. H. W. Piper left yesterday morning for Cathay where they will make their home in the future. They have been in Courtenay for a little over four years and have made a large number of friends who regret to see them go away. The doctor has been a successful practitioner but the territory was somewhat crowded and this caused him to decide on making the change. He will have a larger field in his new location and the people of Cathay are to be congratulated on securing his services.
