The entertainment at the Free Methodist church on June 15th was socially and financially a success. At an early hour people began to come from all points of the compass and filled the church, many having to stand during the entire program. The opening hymn entitled, "We'll Gurdle the Globe With Salvation" was sung by the audience and prayer was offered by Rev. Shaver. Mrs. Shaver then took charge of the entertainment and handled it with such grace as to win admiration from all. The program was good from start to finish and showed a good deal of hard study. Fourteen dollars was raised by collection and all went home rather tired but feeling that it was well to have been there.
