

Rev. and Mrs. Merchant S. Riddle arrived Wednesday evening from Okmulgee, Indian Territory, to take up the work in this field for the Presbyterian church. Mr. Riddle is a man of wide experience in ministerial work, the greater part of his ministry being spent in the far west where he was Sabbath school missionary in Nevada and California for some time. He has been pastor at large in the Presbytery he has just left and his work is very highly spoken of by those who are familiar with what he has been doing.
