

Andrew Suchla is reported to be in a critical condition as the result of an accident which happened to him on Saturday. He and his son were on their way to town with two loads of grain and the son was driving in the lead. Mr. Suchla got off to walk and was walking behind his son's wagon and in front of his own team and in going down a slight incline his team ran onto him knocking him down and the wagon passed over him. He was picked up in an unconscious condition and it was thought for a time that he had been killed. Several ribs were broken and he was otherwise bruised up but it is thought that he will recover.
