
Birthday Party

The home of Mr. and Mrs. B. A. Thorsgard on Wednesday evening was the scene of a very pleasant party in honor of their daughter Delta's sixteenth birthday. The young ladies came direct from school and after enjoying the music of the Cecilian piano player and amusing themselves otherwise for a time they were seated at the table where ice cream, cake, fruit, etc., were served. The young people surely had a pleasant evening. Miss Delta was the recipient of a number of pretty little presents, among them being a gold watch from her mama and papa. About 7:30 the girls began to depart for their different homes expressing themselves as delighted with their evening's pleasure.

Those present were Inez Atwood, Nettie Henning, Gertie Atchison, Florence Hoffman, Ollie Hoffman, Marie Norell, Vivian Durkee, Clara Norell, Bertha Chilson and Anna Bartosek.
