

Ambrose Welsh of Jamestown has been in Courtenay this week moving buildings. He moved the Anton Berg house which was purchased by Abe Posey in from the country and located it on the lots which Mr. Posey purchased recently from Will Jones. L. O. Larson has had his house moved to a position farther back on the lot and E. J. Welsh is having his house moved to a lot which he owns north of C. A. Edwards' residence. There will also be other buildings moved before Mr. Welsh returns to Jamestown.
