
Died at Sea.

An inquiry was received this week from the consulate of Denmark at Chicago by the Kensal State Bank in regard to a young man by the name of Jens Hansen, who left this place about the first of December for a visit to his old home in Denmark via Minneapolis and Boston. He took passage from Boston on the steamship Ivernia, was taken ill, died and was buried at sea. He left a deposit of \$185 in the Kensal State Bank and had made some payments on a quarter section of school land in Foster County.--Kensal Journal.
