

---

Helena (Mont.) Herald: A newly married couple are Victor H. Beckman and Annie D. Muir, who were made man and wife at the Presbyterian parsonage Saturday evening, Rev. T. V. Moore officiating. Mr. Beckman is one of the Herald staff of printers, connected for some time with the news department, and is one of the swiftest and best compositors in the northwest. He is a first-class man in all respects that commend a workman upon the daily press—industrious, sober, capable and honorable. The bride is an accomplished young lady of Helena, the daughter of James Muir, a prominent contractor and builder. The Herald joins with many friends in cordial congratulations.
