

Married.

FARNHAM-BAUER.—At the residence of the bride's parents, in Red Wing, on Saturday August 1st, 1891 by Rev. Bender, Silas E. Farnham and Christina Bauer.

The ceremony was performed in the afternoon in the presence of but a few of the immediate relatives of the contracting parties, after which the happy couple left for Minneapolis where they spent the Sabbath with relatives, returning to this place Monday afternoon. The bride is by no means a stranger among us, she having been a teacher in the primary department of our schools for a number of terms and has the respect of all who are acquainted with her. The groom is known by every body in the county, he being editor of the Lac qui Parle County Press, and that he has shown good judgment in this last transaction no one will doubt. The Independent in common with the many friends of Mr. and Mrs. Farnham wishes them a long and happy union, blest with all the joys and pleasures there is to be obtained from matrimony, not barring those "little episodes" that, in the course of human events, come along to make home happy. For the present they are 'at home' to their friends at the residence of Dr. S. G. Miller, on 7th street.—Red Wing Independent.

Miss Chistine Bauer was formerly a resident of Cooperstown and she has a host of warm friends who will join with the COURIER in wishing her a long and happy life.
