

Mrs. O. C. Ford celebrated the fifteenth anniversary of her marriage last Saturday afternoon by giving a "Hen Party"—or in other words inviting her lady friends to tea. In addition to the hearty congratulations on the occasion Mrs. Ford was the recipient of numerous presents. In the evening the band boys got out and gave Mrs. Ford a senerade, for which she desires us to extenc to the boys her thanks for their kindness. The Courier has to return thanks to Mrs. Ford for a choice collection of good things. The young people also assembled at Mrs. Ford's the same evening and had a very enjoyable time.
