Mr. John Houghton informs us that his brother Horace was married last Wednesday to a lady in Michigan. He will return to Cooperstown shortly with his bride and settle down on his farm. We offer hearty congratulations to Horace and his bride. One week from yesterday Charley Houghton will lead one of our estimable young ladies to Hymen's alter and after that important event will settle down to farming in the Houghton settlement. We suggest that the boys have a townsite platted and call it Houghtonville.
