

Obituary.

Last Saturday afternoon the citizens of this community were shocked to learn that Mrs. Otto Pirchardt had died very suddenly of congestion of the bowels. The deceased had been sick for several weeks, sometimes getting better and then again suffering a relapse. Last Friday she decided that on the following day she would go to Valley City to get medical aid, but during Friday night she was taken much worse suffering excruciating pain, and died Saturday afternoon. She leaves a husband and two children to mourn the loss of wife and mother. It is a sad blow to the afflicted family and they have the sympathy of the entire community. The funeral service was held in the Baptist church last Sunday afternoon and the remains were interred in the Cooperstown cemetery.
