

√ We learn from the Jamestown Alert that Mr. Geo. W. Barnard, father of Mrs. H. P. Smart and Miss Frankie Barnard, died recently at his home in Riverside, Cal. He was about 63 years of age and was carried off by pneumonia after but a brief illness. The deceased was formerly one of Griggs county's highly respected pioneer settlers, and removed to California about six years ago. The family have the sympathy of many friends in Cooperstown and Griggs county.
