

---

Welcome L. Pattison, of Dazey, died last Friday, after a lingering illness. Comrade Pattison spent last winter in Florida in hopes that his health might be improved, which has been poor for the past two or three years. On his return home this spring, he was found to be no better and rapidly continued to fail until last Friday afternoon, at 3 o'clock, surrounded by his loving family and friends, he quietly passed away. Comrade Pattison served honorably, bravely and faithfully as a soldier during the war of the rebellion; was a member of Josiah S. Weiser Post of Valley City. His funeral took place at 2 o'clock Sunday afternoon from the Methodist church under the auspices of the G. A. R. Valley at City.
