

Passed Away.

Just about sunrise Wednesday morning, John Stevens, father of Hon. Julius Stevens, closed up his book of life on earth, and silently and peacefully passed beyond the silent river. The deceased was eighty-three years old last July. He has been gradually failing for some weeks, and when the end came it was quiet and calm—simply a sleep that knows no waking. The funeral will be held today, at 2 o'clock at the residence of Julius Stevens.
