
Happily Wedded,

It is a pleasant duty as well as a complete surprise for the COURIER to chronicle this week the marriage of Mr. Enos E. Downe to Miss Christine Hammer, which event occurred last evening at eight o'clock at the Baptist parsonage, Rev. John Smithers officiating. Mr. Downe has been a resident of Cooperstown for the past six years and has won for himself a reputation for being a steady and upright young man. He is associated with Mr. Urquhart in the contracting business. The bride has been a resident of the town for years. She is a rustler in every sense of the word, as well as being a lady liked and respected by all. The newly married couple have settled down to housekeeping on Burrell avenue, and a large circle of friends join the COURIER in wishing them a long and happy life.
