

Married—on Friday, August 19th, 1898, by our Hon. C. H. Johnson, judge of the county court, Mr. Edward McCormick and Mrs. Annie Ellefson, of Helena, P. O., Griggs county. There had been a little delay in this ceremony which was to have been performed the Monday previous, the bride's friends not wishing the matter consummated but "Love will find out the way," and in dignified language the worth county judge pronounced them man and wife the day above stated. The Courier extends the usual congratulations.
