
Accidentally Shot His Wife.

On Sunday afternoon Mr. Fay, father to ex-sheriff Fay, living southeast of Tiffany, accidentally shot and instantly killed his wife. From reports we glean that Mr. Fay had his gun in his hand and was trying to force a shell into the gun that was too large. After he had the shell far enough in to close the gun, he did so and at the same time the shell exploded striking Mrs. Fay in and about the face killing her almost instantly. The funeral took place Monday.—Sheyenne Star.
