Emil Kruger, 30 years old, a farm hand working for Commissioner Joseph Buchheit, was kicked from a sulky by a three year old colt last Sunday morning at 10:30 and died Tuesday afternoon at 12:35. The deceased was out riding with another fellow when the horse kicked. The other fellow succeeded in jumping from the sulky while Emil, the deceased, received a kick above the ear on the side of the head which resulted in his death. After the accident had occurred Kruger was taken to Buchheit's and medical aid sent for and all that was possible was done for the poor fellow but he was past help in this world. The remains were sent to St. Paul for interment. Paul Kruger, a brother of the deceased, is now working for Mr. A. Haskell and deeply feels the loss of his brother. The mother of the boys lives at St. Paul.
