

Obituary.

It becomes the Courier's sad duty to chronicle the death of the little twelve months old daughter of Mr. and Mrs. J. H. McDermott, which demise occurred at 6:30 p. m., Wednesday evening, Feb. 12th. To those only who have little ones of their own, and especially those who have lost loved ones,—those only can realize the heavy blow that has fallen on Mr. and Mrs. McDermott. Their little daughter was an only child, a beautiful little girl and the idol of its parents. It will be sadly missed in this small family circle. The little girl had been sick for the past three or four weeks from stomach trouble and teething, which finally turned into meningitis, which took away the little sufferer's life. This whole community deeply sympathizes with the bereaved parents.
