

The three months old little boy and only child of Mr. and Mrs. Al. Richardson died last Friday night of congestion of the lungs. The little babe was taken sick Thursday and Dr Kerr was summoned next day but it was too late. This is the second child Mr. and Mrs. Richardson have lost in Griggs county. It is a sad blow to these worthy people and their many friends extend heartfelt sympathy. The funeral occurred at the farm house Monday, Rev. O. D. Purinton officiating, and the remains were interred on the farm until spring when they will probably be removed to the Cooperstown cemetery.
