

Probably one of the most enjoyable gatherings ever held in Griggs county was the reception tendered to Mr. Alex. B. Detwiller and his bride at the home of Mr. and Mrs. C. A. Hall last Friday night. Forty of the friends and neighbors gathered to greet and extend congratulations to these worthy young people and a happy, pleasant time was the result of the gathering. The hours passed only too quickly under the excitement of the various games played. The supper served was elegant and the good ladies had made special effort to have it par excellence and they succeeded admirably in doing so. Mr. and Mrs. Detwiller were presented with a fine \$60 range to assist them in keeping house as a testimonial of the esteem in which they are held by their neighbors. It was certainly a useful present and one much appreciated. The company dispersed at a late hour wishing the bride and groom many long and useful years of wedded life.
