

The Cooperstown Whist, Checker and Chess Club was organized Tuesday evening at the room engaged by them for three months. The names of officers are A. P. Jones, president; Robt. Moffatt, vice-president; Theo. Marcuardt, treasurer; J. E. Ginn, secretary. We think this is a move in the right direction and as anyone of good standing can join, it is a good way for the store clerks and others to be able to spend many a social evening. We understand that no gambling or any device for gambling will be allowed, and the expense of becoming a member is nominal.
