

Joseph Allen, for many years a resident of Griggs county, and who operated a farm in the Romness settlement, died very suddenly of heart failure last Monday afternoon at his home east of Sherbrooke. Mr. Allen had been out to the granary shoveling wheat. He came into the house and lay down on the bed and died without saying a word. Deceased was a member of the Ancient Order of United Workmen we are told and carried \$2000 insurance. The family have the sympathy of a large number of Griggs county friends.
