

"Dust thou art, to dust returnest,  
was not written of the soul."

On Saturday, June 10th, in the  
midst of a driving rain were laid to  
rest the mortal remains of Thos.  
Fluke, who died June 8th from  
catarrh of the stomach. Mr: Fluke  
was born in Prince Edwards county  
Can., in 1846. In 1887 he came to Da-  
kota and made it his home. Starting  
with but little, by ceaseless industry  
and an unlimited capacity for hard  
work he collected considerable prop-  
erty. His health began to fail last  
fall and he went to Canada in hopes  
of obtaining relief, but he did not and  
failed rapidly from the time he re-  
turned. He leaves a widow and seven  
children to mourn his loss.
