

## **MRS. I. D. ALLEN DIES SUDDENLY**

Cooperstown, Sentinel: Our town was very much shocked and saddened on Tuesday morning upon hearing of the death of Mrs. I. D. Allen. Mrs. Allen had been as well as usual on Monday and was about attending to the household duties and the news of her death seemed incredible to her many friends. She was taken suddenly sick on Monday night about nine o'clock, with an internal hemorrhage and after a night of great suffering, passed away about eleven o'clock Tuesday morning.
