

Mrs. Anna Windingland, of Riverside township, wife of Andrew Windingland, died Sunday, April 20th, and was buried in the Lund cemetery, April 23, Rev. N. J. Vikingstad officiating. Mrs. Windingland was born in Norway, 48 years ago. She has lived six years in America, and leaves an aged mother, her husband and a son. She was more or less in poor health all the time she has lived in this country, but last fall the disease became serious and Dr. Nygaard, the eminent physician of Luverne, thought the trouble to be cancer of the intestines. Dr. Scanlon of Fargo was called as advisory physician by Dr. Nygaard, but of no avail. Mrs. Windingland suffered a great deal, but she died as a Christian in the faith of Jesus Christ.—Contributed.
