

On Sunday afternoon one of the sons of C. W. Christianson, of Luverne, was accidentally shot by his brother. The accident occurred after Mr. Christianson had returned from a trip out in the country where he had been shooting gophers. He thought he had unloaded the gun and allowed the boy to play with it and in a short time the accident happened. The bullet hit the boy in the cheek and went down and lodged in the neck. He was taken to a hospital at Valley City, where at last reports he is getting along as well as can be expected.
