

## **A BIRTHDAY SOCIAL EVENT**

Union City (Pa) Enterprise: Last evening about twenty-five of the friends of Mr. Hosea Woodward gathered at the home of Mrs. Emeline Drake in this city to assist that gentleman in celebrating his 58th birthday. The evening was most pleasantly spent by those present, none enjoying it more than Mr. Woodward himself. A series of games was the feature of the occasion. At the proper time an elaborate supper was served, which included warm sugar. He was presented with a signet ring, which he fully appreciated and which will be to him a constant reminder of the pleasant time he has spent the past few weeks here at his old home-town.

Mr. Woodward expects to return to his home in North Dakota next Saturday, and will take with him the best wishes of his friends here.
