

January Babies.

The following list from last week's Times-Record is given as the births for Barnes county during January, 1905. It strikes us as being far from complete; confined in fact, almost exclusively, to Valley City. Several babies were born in Western Barnes during January, and doubtless in other portions of the county as well. The list was probably taken from the records. Physicians, midwives and parents should recollect that the law requires that all births and deaths be reported to the county health officer:

January 6, Mr. and Mrs. Herman P. Bryn, Dazey, daughter.

January 6, Mr. and Mrs. Albert Gad, Dazey, twins.

January 6, Mr. and Mrs. J. Prohn-pete, Raritan township, son.

January 8, Mr. and Mrs. C. A. Heft, Valley City, daughter.

January 10, Mr. and Mrs. Emil Feldman, Valley City, son.

January 13, Mr. and Mrs. Wm. J. Curren, Valley City, son.

January 21, Mr. and Mrs. Hector McKay, Grand Prairie townshiy, son.

January 24, Mr. and Mrs. Edward T. Burke, Valley City, son.

January 30, Mr. and Mrs. Chas. Lee, Valley City, twins.
